RANDOLPH.

Pair of Horses Make Bolt Through Main Street Tuesday Afternoon.

The pair of horses belonging to Monroe Lamb of Randolph Center, which were hitched to a sleigh, while driving up through the Main street Tuesday afternoon, became frightened by the breaking of a bolt, which held the pole, and soon cleared themselves of the sleigh and ran up through Main street as far as Dr. Russell's and finally halted at the blacksmith shop, just above there. Fortunately no one was injured, although there were many on the street. There were several in the sleigh at the time the accident occurred, among them two children, who were thrown out, but escaped without injury.

Other people who were here for the same purpose were Mrs. Adams' half-sister, Mrs. Boyden, of Newtonville, Mass., and Mrs. Clara Root of Claremont, N. H., both of whom returned to their homes Wednesday. The son, Robert Adams, will remain a few days before returning to Denver, Col., where he has a position.

Following her school days she fitted for an educationist in Boston and in this line of work she has been remarkably successful. TAFT ASKED TO MEDiate

Has Turco-Italian War Under "Consideration"

DR. ABBOTT MAKES PROPOSAL

He Is Seconded by Dr. Mary Eddy—Mediation Could Be Offered Under an Agreement of The Hague.

New York, Dec. 21.—At the suggestion of Dr. Lyman Abbott and Dr. Mary Eddy, an American woman who has spent many years in Turkey, President Taft took under advisement yesterday the question of his tendering the good offices of the United States as mediator in the Turco-Italian war. Dr. Abbott and Eddy spent more than an hour with the president, urging him to take some action in the matter. When Dr. Abbott departed all he cared to say was that the president had the matter under consideration. Under the Hague agreement any nation may tender its services as mediator to settle an international dispute.

TURKEY TO PROPOSE PEACE?

News Reaches London From Rome to This Effect.

London, Dec. 21.—No news reached here from Tripoli Tuesday. According to a dispatch from Rome it is believed there that Turkey is about to make peace proposals. The British foreign office has issued a statement that Turkey was informed in 1904 that Sollum, in Barca, the eastern division of Tripoli, was included in Egyptian territory and that its occupation by Egyptian troops now is a mere formality. It is believed, however, that Turkey never formally admitted this view.

Another train similarly loaded is reported to be following. The greatest secrecy is being observed. The correspondent adds that the Turkish government has conveyed its thanks to the German emperor, through the ambassador, for this convincing proof of German friendship.
